## Serve it Curbside

- Reserve a few parking spaces close to the entrance.
- Install shelving by the door for packaged orders. Clearly label orders with a name or order number.
- Consider a modified menu for off-premise dining. Include only foods that travel well like bowls, sandwiches, and salads.
- Use windows or a security camera so runners can see when a guest has arrived.
- Select packaging that displays food well and keeps it secure in transit.
- Let us know how we can help!
