

GENERAL TERMS AND CONDITIONS OF PURCHASE

I. CONTROLLING TERMS

These General Purchase Order Terms and Conditions (the "Terms and Conditions") are part of each purchase order ("Order") issued by Novolex Holdings, LLC ("Novolex"), and/or any affiliate of Novolex designated in an Order as purchasing Goods under such Order (in each case referred to as "Buyer"). In these Terms and Conditions, "Seller" shall mean the seller named in an Order and "Goods" shall mean the goods or services that Buyer is to purchase from Seller as described in the Order. If a master vendor or supplier agreement (a "Master Agreement") exists between Seller and Buyer covering such Goods, Seller's provision of Goods and/or Services shall also be governed by the terms and conditions of the Master Agreement, and in the event of any conflict between any term in the Master Agreement and any term in the Order or these Terms and Conditions, the terms of the Master Agreement shall prevail.

UNLESS OTHERWISE PROVIDED BY SEPARATE WRITTEN AGREEMENT DULY SIGNED BY BUYER, AN ORDER MAY BE ACCEPTED ONLY UPON THESE TERMS AND CONDITIONS AND ANY TERMS AND CONDITIONS SET FORTH IN THE ORDER AND ANY MASTER AGREEMENT, WRITTEN SPECIFICATIONS, DRAWINGS AND ADDITIONAL TERMS AND CONDITIONS WHICH MAY BE INCORPORATED BY REFERENCE BY BUYER OR ATTACHED HERETO BY BUYER (COLLECTIVELY, THE "PURCHASE AGREEMENT"). ANY ADDITIONAL OR DIFFERENT TERMS AND CONDITIONS IN SELLER'S ACCEPTANCE, ACKNOWLEDGMENT, INVOICE, OR OTHER RESPONSE HERETO SHALL BE DEEMED OBJECTED TO AND REJECTED BY BUYER AND SHALL BE OF NO EFFECT. IF THESE TERMS AND CONDITIONS ARE NOT ACCEPTABLE, SELLER SHALL IMMEDIATELY ADVISE BUYER IN WRITING UPON RECEIPT OF THE PURCHASE ORDER AND WITHHOLD SHIPMENT AND GOODS UNTIL THE MATTER IS RESOLVED. NOTWITHSTANDING ANY CUSTOM, PRACTICE OR COURSE OF DEALING, BUYER MAY INSIST ON STRICT ADHERENCE TO THE PURCHASE AGREEMENT. ACCEPTANCE OF THE ORDER BY SELLER, INCLUDING THE PURCHASE AGREEMENT, WILL OCCUR UPON THE FIRST TO OCCUR OF ANY OF THE FOLLOWING EVENTS: (I) WHEN BUYER RECEIVES WRITTEN ACKNOWLEDGMENT THAT SELLER HAS ACCEPTED THE ORDER, OR (II) WHEN BUYER IS AWARE THAT SELLER HAS COMMENCED PERFORMANCE THEREUNDER.

II. CHANGES

Buyer shall have the right at any time, by written order of an authorized contracting official of Buyer, to make changes to an Order including, but not limited to changes in drawings, designs, specifications, materials, packaging, time and place of delivery and method of transportation. If any such changes cause an increase or decrease in the cost or the time required for performance, an equitable adjustment shall be made and the Order shall be modified in writing accordingly provided that Seller submits its claim for adjustment in writing within thirty (30) calendar days after receipt of the written change Order. However, nothing in this paragraph shall excuse Seller from proceeding with the Order as changed.

III. PRICING

Pricing for the Goods shall be specified on the face of the Order. Except for those specifically described in the Order, no additional costs, fees, or charges will be reimbursed without Buyer's prior written approval. The price to be paid by Buyer and stated on any Order shall not be increased unless specifically authorized in writing by issuance of a revised Order by Buyer. If price is omitted, it is agreed that the Goods shall be billed at the price last quoted or paid, or the prevailing market price at time of delivery, whichever is lower, unless otherwise specified. Seller warrants that the prices charged Buyer and stated on the Order are no higher than prices charged on orders placed by others for similar quantities under similar conditions. If Seller shall establish, prior to shipment under any Order, lower prices or terms more favorable to Buyer than those stated on that Order, the lower prices or more favorable terms will apply to that Order.

IV. PAYMENT TERMS

Each invoice must bear Buyer's order number and coding, if any, and must be mailed not later than the day following shipment and be accompanied by a bill of lading if shipment is made by common carrier. A separate invoice must be rendered for each lot of Goods shipped or delivered to Buyer on account of an Order. Goods received and not covered by an invoice will be held at Seller's risk and expense. Buyer's payment of the purchase price does not constitute acceptance of Goods, and Buyer's obligation to pay the price set forth in the Order will be subject to any abatement, reduction, setoff, defense, counterclaim, or recoupment for any reason whatsoever. The payment terms or cash discount period available to Buyer shall commence on the date of receipt of the Goods or on the date of receipt of the invoice; whichever is later.

Unless otherwise mutually agreed upon in writing, Buyer shall make all payments by credit card. Invoices shall be paid according to discount terms, or if no discount is offered, according to due date terms. If no discount or due date is indicated, payment shall be made within sixty (60) days after receipt and acceptance of the Goods under any Order. Buyer shall not be required to pay any late charge, interest, finance charge or similar charge. Seller shall give Buyer written notice of any claimed discrepancy in any amount paid or deducted by Seller pursuant to the Purchase Agreement within 90 days of such payment or deduction. If Seller fails to give notice within such period, Seller agrees that it will not thereafter assert any claim for such payment or deduction and waives any such claim.

V. QUANTITY

Shipment of a quantity greater than that ordered will not be deemed accepted unless authorized in writing by Buyer, nor shall shipment of a lesser quantity and Buyer's acceptance thereof relieve Seller of its obligation to deliver the balance of the Goods ordered. Upon request from Buyer, Seller shall promptly make any and all necessary corrections to documentation or records related to U.S. customs and reissue same to Buyer.

VI. SHIPPING TERMS

Unless otherwise agreed upon in writing, all goods will be shipped under Incoterms rule Delivered at Place (DAP) to the agreed, named place of destination per Incoterms 2020 as promulgated by the International Chamber of Commerce, with all costs, risks and responsibilities in accordance with such Incoterms. Title to the goods shall pass from Seller to Buyer upon Delivery per the selected Incoterms rule.

VII. DELIVERY AND INSPECTION

Seller agrees to route all shipments as per any routing or ship-to instructions in the Order, or as requested by Buyer. If specific routing or ship-to instructions are indicated and not complied with, all extra shipping costs and other costs of Buyer resulting therefrom, including costs of reshipment to correct locations, will be paid by Seller. No charges will be allowed for drayage, boxing, storage or packing unless agreed upon by Buyer.

Seller will deliver the Goods to Buyer on the times and dates specified in the Order. TIME IS OF DELIVERY IS OF THE ESSENCE. If Seller fails to deliver as and when specified, Buyer reserves the right to cancel the Order or any part thereof and purchase elsewhere and hold Seller accountable for any excess cost resulting therefrom without prejudice to its other rights. Seller agrees that Buyer may return, at Seller's expense, for full credit part or all of any shipment not timely delivered. If Seller fails to meet Buyer's delivery requirements and Buyer requires a more expeditious method of transportation for the Goods than the transportation method originally specified by Buyer, then at Buyer's option Seller will (i) promptly reimburse Buyer the difference in cost between the more expeditious method and the original method, and (ii) allow Buyer to reduce its payment of Seller's invoice by such difference, or (iii) ship the Goods as expeditiously as possible at Seller's expense and invoice Buyer for the amount which Buyer would have paid for normal shipment.

Buyer shall be under no duty to inspect Goods purchased hereunder before their use or resale, and processing, manufacture or resale shall not constitute an acceptance of Goods or a waiver of any claim. Buyer reserves the absolute right to reject and refuse or revoke acceptance of Goods which are not in accordance with any instructions, specifications, drawings and data or not otherwise in accordance with Seller's warranties (express or implied) or the terms and conditions of the Purchase Agreement. Any inspection, discovery of any breach of warranty, failure to make an inspection, or failure to discover any breach of warranty does not constitute a waiver of any of Buyer's rights or remedies whatsoever. Goods rejected as not conforming to the Purchase Agreement or as otherwise deemed defective, will be returned to Seller at Seller's expense, including transportation and handling costs.

VIII. TAXES

Unless Buyer agrees otherwise in writing, Buyer shall not be required to pay any sales, use or other taxes (whether federal, state or local), assessments, fees or duties arising because of Buyer's purchase from Seller or Seller's manufacture, performance or sale of the Goods (including any tax, assessment, fee or duty measured or imposed upon Seller's income, payroll or property and any franchise tax) ("Taxes"), and Seller shall be responsible and liable for paying, and shall pay, all Taxes, provided, however, if such Taxes were not in effect at the time that Buyer and Seller entered into their agreement for Seller's production or provision of Goods for Buyer, any such Taxes shall be paid by the party upon which the legal incidence of the Tax is imposed. If Buyer agrees in writing to pay any Tax, then the correct dollar amount of the Tax shall be separately stated on Seller's invoice. All invoices must show S.C. Sales & Use Tax Direct Pay Permit #18901(19), registration #16-80577 for purchases within the State of South Carolina.

IX. AUDIT

Seller shall maintain during the course of the work, and retain not less than four (4) years after completion thereof, complete and accurate records of all Seller's costs that are chargeable to Novolex pursuant to the Purchase Agreement. Novolex shall have the right, during normal working hours, to inspect, reproduce, and audit those records by authorized representatives of its own or a third-party auditing firm selected by Novolex. For small dollar transactions, Novolex expects to make payment by credit card. For these transactions, a receipt must be provided to the cardholder at the time of purchase. Seller shall not submit invoices already paid by a Novolex location using a Novolex credit card.

X. SELLER'S REPRESENTATIONS AND WARRANTIES

Seller represents and warrants that all Goods sold or provided hereunder shall (i) conform with the descriptions, requirements and specifications of the Order and all samples provided, (ii) be free from defects in design, material and workmanship, (iii) be merchantable and fit for Buyer's particular purposes; (iv) be provided in a timely, competent and workmanlike manner and quality, and (v) comply with, and be manufactured, marked, labeled, branded, provided and sold in compliance with all applicable laws, standards, rules and regulations. These warranties shall be in addition to any other warranties, express or implied, in the Purchase Agreement or available to Buyer under applicable law. Seller agrees that the foregoing warranties shall survive delivery and acceptance of and payment for Goods and extend to Buyer and its parents and subsidiaries, direct and indirect, their successors and assigns, affiliates, and to the customers, distributors, dealers and agents of any of them and to the users and consumers of the Goods.

Contractors, subcontractors and service providers are required to submit information regarding potential environmental impacts of proposed on-site projects, services, or activities with any request for a quote from Buyer. If adverse environmental impacts can result from proposed on-site activities or from accidental occurrences, the contractor, subcontractor or service provider is required to detail the methods that will be taken to minimize and manage environmental impacts. This information may be in the form of drawings, descriptions of control mechanisms, plans or other means.

XXII. TERMINATION FOR CONVENIENCE

Buyer reserves the right to terminate an Order or any part of it for Buyer’s sole convenience. In the event of such termination, Seller shall immediately stop all work thereunder and shall immediately cause any of its suppliers or subcontractors to cease such work. In the event that Buyer terminates an Order at least thirty (30) days prior to the shipment date set forth in the Order, Buyer shall not be liable to Seller for any amount. In the event that Buyer terminates an Order less than thirty (30) days prior to such shipment date, Buyer’s liability to Seller with respect to such Order shall be limited to: (i) Seller’s purchase price of all components not usable in Seller’s or Seller’s subcontractor’s other operations or marketable to Seller’s other customers, plus (ii) the actual costs incurred by Seller in procuring and manufacturing material not usable in Seller’s or Seller’s subcontractor’s other operations. In the event of termination for Cause, Buyer shall not be liable to Seller for any amount, and Seller shall be liable to Buyer for any and all damages sustained by the Cause which gave rise to the termination. If it should be determined that Buyer has improperly terminated any Order for Cause, such termination shall be deemed a termination for the convenience of Buyer.

XXIV. FORCE MAJEURE

Buyer will have the right to suspend shipments from Seller hereunder and refuse to accept delivery of the Goods, without incurring any liability to Seller, in the event of war, riot, flood, acts of God, terrorist acts, fire, court order, strike, work stoppage, act of governmental authority, epidemic, pandemic or any other cause beyond Buyer’s control.

XXV. ASSIGNMENT AND SUBCONTRACTING

Seller shall not, without the written consent of Buyer, (i) assign the Purchase Agreement or the performance of an Order or any amounts payable pursuant to an Order, or (ii) subcontract the provision of any Goods hereunder. The consent of Buyer to any assignment or subcontracting shall not (i) with respect to subcontracting, relieve Seller of its responsibility for the performance of any of its other obligations under the Purchase Agreement, or (ii) constitute Buyer’s consent to further assignment or subcontracting. Seller will ensure that any third party to whom Seller subcontracts any of its obligations hereunder is bound by all the terms and conditions under the Purchase Agreement relating to such performance to which Seller is bound under the Purchase Agreement. The Purchase Agreement shall be binding on the parties, and their respective successors and permitted assigns. Any assignments in contravention of this provision shall be void.

XXVI. EXPORT AND IMPORT REQUIREMENTS; DRAWBACK AND REFUND RIGHTS

Seller shall prepare, maintain and, to the extent that the applicable law, regulation or customs authority requires it to do so, submit to the applicable customs authorities, all information and documentation that is necessary to comply with the applicable customs and export and import requirements of each country from which the Goods will be exported and each country into which they will be imported, and Seller shall comply with all other applicable customs requirements. Whenever Buyer requests it to do so, Seller shall promptly furnish to Buyer

copies of that information and documentation. Seller is solely responsible for complying with all technical compliance and country of origin requirements of each country into which the Goods are to be imported. The parties shall adhere to the division of costs, risks and responsibilities enumerated in the Incoterms ruleset promulgated by the International Chamber of Commerce (“ICC”). Accordingly, for shipments where Buyer is designated as importer of record, Seller shall: (i) provide to Buyer the commercial invoice, packing list, and certificate of origin, each prepared in proper form in the English language, that conforms to instructions found on Buyer’s Order; (ii) upon Buyer’s request, cooperate in the preparation of the bill of lading and timely completion of the Importer Security Filing (“ISF”) worksheet; (iii) cooperate with activities to comply with CTPAT, AEO, and other customs programs that Buyer participates in; and (iv) timely perform tasks and provide documents as otherwise defined in the Incoterms rules. Seller is responsible to ensure that the Goods and associated documentation comply with the technical country of origin requirements of each country into which the Goods are to be imported. For Goods that qualify for a free trade agreement, Seller agrees to: (i) provide a certificate of origin to Buyer that adheres to the Rules of Origin per the applicable treaty and maintain supporting documentation for a minimum of five (5) years. For free trade agreement or any other compliance reason, Seller agrees to (i) permit and facilitate Buyer’s review of such supporting documents upon Buyer’s request; (ii) permit and host Buyer’s visits (or third parties on Buyer’s behalf and at Buyer’s expense) to conduct on-site reviews; and (iii) assist with governmental audits. Seller also agrees to facilitate reviews and audits of Seller’s suppliers by Buyer (or third parties on Buyer’s behalf and at Buyer’s expense) for compliance purposes. Seller assigns and transfers to Buyer all transferable duty drawback or tax refund rights relating to the Goods, including rights developed by substitution and rights that Seller acquires from its suppliers. Seller shall promptly inform Buyer of each such right and, upon Buyer’s request, shall promptly provide to Buyer all documents and information that are required for Buyer to obtain each such drawback or refund. If importation of the Goods results in the assessment of a countervailing duty on Buyer when acting as the importer, Seller will reimburse such countervailing duty to Buyer, provided such reimbursement is permitted under applicable laws and regulations. Seller warrants that it is not a restricted party or otherwise subject to embargoes or governmental sanctions of any country, and if said status changes, Seller shall notify Buyer immediately.

XXVII. WAIVER; MERGER; MODIFICATION

Failure by either party to require strict performance hereunder will not be deemed a waiver of that party’s right to subsequently require strict performance. The Purchase Agreement constitutes the entire agreement of the parties and supersedes all prior and contemporaneous agreements, inducements, or conditions, express or implied, oral, or written. The Purchase Agreement may not be modified except by Buyer as provided expressly herein or by written instrument executed by a duly authorized officer of each of Buyer and Seller.

Except as expressly provided in the Purchase Agreement, Seller and its employees shall not be subject to the control and supervision of Buyer as to the means and manner of providing or provisioning Goods hereunder. Seller shall have complete control of its organization and shall exercise direct supervision, control, and direction of work performed by its employees and shall be solely responsible for all workers' compensation obligations, if any. Further, Seller is solely responsible for determining the method and amount of all wage and benefit payments, all hiring, firing or discipline of its employees as well as all policies and procedures related thereto. Accordingly, Seller agrees that the working conditions and employment terms of its employees, while established and maintained by Seller, shall meet the standards required by all applicable federal and state laws and regulations.
