

ToGo! Hot Meal Bags

BY BAGCRAFT®

Rotisserie Chicken Loading Instructions

Step 1: For best results, prefold the ToGo! Meal Bag along the indicated dashed lines.

Step 2: With your prepared rotisserie chicken on the tray, load the chicken and the tray into the bag.

Step 3: Tilt the bag at a 45° angle and load the tray and chicken into the bag.

Step 4: Make sure the tray lays flat on the bottom of the bag.

Step 5: To seal the bag, remove gloves to avoid grease contamination, and place the bag with the window facing you.

Step 6: Fold the bag just under the label at the first dashed line.

Step 7: Peel the label off to reveal the sticker strip.

Step 8: Run your hand across the adhesive strip to ensure a secure closure.

Step 9: When bag is sealed, it is ready to be placed on a warming display, ready to sell.
