

V.I.P. Handle™ Bags

BY DURO®

Added strength and security. The V.I.P. handle™ bags are strong, allowing for heavier items than our standard handled bags. With handles on the inside, more printing space is available for branding on the outside of the bag.

V.I.P. Handle™ Bags

PERFORMANCE FEATURES

- Variable Inside Patch (V.I.P.) handles are stronger than standard handled bags.
- A variety of paper combinations available (bag, handle and patch) to fit your desired strength and pricing.
- Optional premium semi-extensible paper delivers high tensile energy absorption. Recommended heavy grocery loads carried for long distances.
- Handles inside allows for more printing space on the outside of the bag.

VARIABLE INSIDE PATCH

The V.I.P. handle™ adds strength and security to paper sacks and shoppers.
