

Rollstar[®] EZ Open[™] Produce Bag BY HILEX[®]

RollStar EZ Open Produce Bags make shopping
for fresh produce easy for your customers.

■ RollStar® EZ Open™ Produce Bag

One of the first stops in the grocery store for consumers is the produce department. It is an opportunity to provide a simple, but important experience during the customer journey through your store. The RollStar® EZ Open™ Produce Bag is formulated with a proprietary recipe making the bag easy-to-open, and more convenient.

When paired with the narrow compact dispenser, the RollStar system integrates seamlessly into your produce merchandizing scheme. Shoppers can easily dispense one-bag-at-a-time, every time. This ensures your customers get just the bags they need. Preventing wasted bags is beneficial for the environment, and, your bottom line.

KEY FEATURES

- New formulation improves shopper experience with easier-to-open bags
- Star Seal bottom bags are leak-proof and stronger than conventional flat seal bags
- Universal narrow roll bag dispenser fits in a variety of spaces and is compatible with most roll bags
- Multiple bag sizes and prints for other departments including bakery, meat and seafood products
- Custom fixtures available
- Custom prints available
- Multiple manufacturing facilities ensures business continuity for single source customers

We can assist you in selecting the right dispensing system for your needs.

RollStar EZ Open Produce Bags are even easier to use! For a better shopping experience, these produce bags are easy-to-open and fill.
