

# Two-Piece Containers

Aluminum

Takeout or delivery, hot and cold foods will travel securely - looking delicious and staying fresh - in our all-purpose aluminum foil containers by Pactiv Evergreen.

## Recyclable

Our aluminum bases are recyclable. Recycling products gives them a second life. Check locally: may not be recyclable in your area.

## Take it to-go

Containers may be paired with either foil-laminated paperboard lids or crystal-clear plastic dome lids. Check individual product details for compatibility.

## Temperature endurance

These containers can be stored in freezer, refrigerated or baked in the oven. Not suggested for microwave use.

## No messy meals

These aluminum food containers help lock in heat, moisture, and flavor so you can serve your best.
