Cutlerease®

The innovative Cutlerease® dispensing system enhances hygiene and helps reduce the spread of germs by dispensing one piece of cutlery at a time, limiting hand contact and keeping unused items protected, while also supporting better inventory control by preventing overuse and unnecessary waste.

Controlled Dispensing

Automatically releases one piece of cutlery at a time for improved cleanliness and control.

Reduced Waste

Encourages guests to take only what they need, helping minimize excess use.

Sanitary Handling

Handle-first delivery keeps the eating surface protected from contact.

Easy to Load

Easy-to-load design allows for quick, hassle-free refilling.
