

Portion Cups and Lids

Feel confident knowing your sauces, dressings, salsas, dips, and sides will travel securely and resist leaking when you select Novolex Portion Cups and Lids.

March 2026

The Right Portion, Every Time.

From condiments and dressings to sides and samples, our portion cups are designed to deliver consistency with every serve. With a wide range of sizes and color options, you'll find the perfect fit for your menu, presentation, and operation—every time.

Portions perfected

We know portions range from tiny to generous, so we have the sizes you need to serve exactly the amount you want.

An array of options

We offer the selection of products operators need, choose between HIPS, Paper, Microwavable PP, or Compostable* PLA portion cups.

Pick your color

Our portion cups come in translucent, black, or clear cups depending on which color is best for your application.

Take it to-go

Leak resistant lids securely hold side dishes and condiments during transport and storage, reducing the risk of spills. Most lids sold separately.

*Commercially compostable. Facilities may not exist in your area. Not suitable for home composting.

HIPS Portion Cups and Lids

Strong and reliable, HIPS portion cups provide a sturdy option for serving sauces, dressings, and condiments. Paired with secure lids, they help keep contents contained for easy takeout and transport.
