Paper Two-Cup Carrier

Recyclable two-cup carriers slide easily into delivery bags and align with our bag and container assortment for a coordinated, efficient takeout and to-go program.

Recyclable

Recycling products gives them a second life and helps keep them out of landfills.

Secure Transport

Crafted from sturdy kraft paperboard, this two-cup carrier keeps drinks secure and spill-free on the go.

The Perfect Pair

Finish the ensemble with our paper bags for a fully equipped to-go experience.

Made in the USA

Proudly made in the USA using globally sourced materials.

Versatile Cup Use

Flexible design accommodates a wide range of popular cup sizes—plastic or paper, hot or cold.

Easy to Store

Cup carriers ship flat, saving valuable back-of-house space and making storage effortless.

Paper Two-Cup Carrier

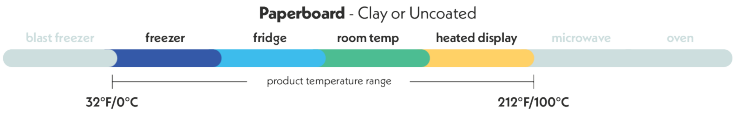

Our recyclable two-cup carrier fits neatly inside delivery bags and pairs with select bags—see below for pairing options.

These guidelines are supplied to assist you in determining the proper use of Novolex products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
