Quality solutions, that meet your needs

Premium Performance

These sturdy containers are made of heavy-gauge polypropylene. They hold up to your heartiest menu items and will not bend or break when stacked for delivery or display. Bonus for your end customers, Newspring containers are safe for top rack use in residential dishwashers.

Superior Leak-Resistance

Newspring products have a tight-fitting perimeter seal that provides exceptional leak resistance, so you can store and transport foods with confidence.

Excellent Temperature Endurance

Ideal for a variety of food applications, both hot and cold, Newspring containers can be stored in the freezer, refrigerated or microwaved. Ensure the lid is loosened prior to microwaving to permit steam ventilation.
