

EarthChoice[®] Entrée2Go[™] Two-Piece Containers

Designed to to fill, stack, and go! With strong, moisture-resistant construction and clear vented lids, these containers keep food looking great and tasting fresh—so your meals arrive the way you intended.

Made with Less Plastic

Mineral filled polypropylene (MFPP) containers are made with 50% less plastic than traditional polypropylene containers, reducing fossil fuel based material usage.

Handles the Heat

Perfect for to-go staging under heat lamps or a quick microwave reheat at home, thanks to its high heat tolerance.

Moisture Resistant

Won't soak through—even with hearty, saucy dishes—so your packaging stays strong and mess-free from kitchen to customer.

Secure Seal

The full perimeter ZipSeal[®] helps prevent messy leaks and spills.

Keeps Food Crispy

The SmartVent[™] system allows steam to release, keeping food hot and crispy even on the go. Lids and bases are sold separately.

Versatile Solutions

Offered in a range of sizes and configurations.

Entrée2Go™ Two-Piece Containers

Entrée2Go™ Two Piece Containers are a smart, reliable solution for modern to-go meals—balancing performance, presentation, and sustainability.

These guidelines are supplied to assist you in determining the proper use of Novolex products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
