

Eco Blend™ Paper

Novolex is one of the leading manufacturers of paper bags and sacks in North America. As a well-known innovator, we are a trusted source for grocery, retail, pharmacy, foodservice, and other industries.

Eco Blend™ is a blend of recycled and virgin fiber, offering the best of sustainability and function. This blend is engineered to meet the demanding applications of a virgin product with the benefits of using recycled fiber.

Blended natural Kraft

Made with a minimum of 50% post-consumer recycled fiber and up to 50% virgin fiber.

Certification

FSC®- certified for responsible sourcing.

Performance

Blended natural kraft delivers reliable performance and durability while lowering environmental impact with recycled fiber.

ECO BLEND™

For more information, contact your sales representative.

These guidelines are supplied to assist you in determining the proper use of Novolex products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
