

Paper Tote-L Bags

Novolex now offers the new Tote-L handle bags that are perfect for pickup and delivery orders.

The unique size allows for three bags to fit perfectly in a standard tote commonly used in grocery online order fulfillment. The Tote-L bag is available in two handle styles: the V.I.P. Handle™, for added strength and security, as well as twisted rope handles, for an upscale retail look. This bag comes in a variety of paper options to meet your business needs.

Performance Features

- Available in 70# virgin kraft, wet-strength virgin kraft, and recycled kraft
- Unique size (12.6 x 6.3 x 10") fits perfectly into order fulfillment totes used in grocery delivery
- Two handle styles available: V.I.P. (variable inside patch) flat handle or twisted rope handles
- Custom printing available
- Recyclable
- BPI certified compostable
(Commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.)

These guidelines are supplied to assist you in determining the proper use of Novolex products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
