

RollStar® EZ Open™ Produce Bags

RollStar EZ Open Produce Bags make shopping for fresh produce easy for your customers.

As one of the first stops for many shoppers, the produce department plays an important role in shaping the overall store experience. The RollStar EZ Open Produce Bag is made with a proprietary formulation designed to make bags easier to open and more convenient to use. Paired with a narrow, compact dispenser, the RollStar system integrates seamlessly into your produce merchandising environment. With easy, one-at-a-time dispensing, shoppers can take the bags they need, which may help reduce excess bag usage and support your sustainability goals.

Performance Features

- New formulation improves shopper experience with easier-to-open bags
- Star seal bottom bags are leak-proof and stronger than conventional flat seal bags
- Universal narrow roll bag dispenser fits in a variety of spaces and is compatible with most roll bags
- Multiple bag sizes and prints for other departments including bakery, meat and seafood products
- Custom fixtures and prints available
- Multiple manufacturing facilities ensures business continuity for single source customers
- Minimum order quantity (MOQ) for standard, in-stock RollStar produce bags is one full pallet
- RollStar Compostable bags are BPI Certified
(Commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.)

We can assist you in selecting the right dispensing system for your needs.

RollStar® EZ Open™ Produce Bags

Novolex's EZ Open Technology enables easy, single-handed bag opening. Now bagging your produce is easier than ever!
