Product Line Card

Protein & Produce Trays

Whether packaging fresh meats or produce, these versatile trays provide the strength, stability, and functionality retailers need to protect products while putting freshness on display. With a variety of sizes and configurations available, our tray solutions help meet the demands of today's high-volume retail and food processing environments.

Did you know?

Novolex's tray line is vertically integrated — We make our own sheets and absorbent pads.

PS Foam Trays

Variety of sizes, depths and colors; the most economical tray material

PET Trays

Upscale look; processor grade reinforced rolled rim; wide variety, customizable

High-Performance PET Trays

Made from a proprietary blend that resists cracking, breaking and film tears

rPET Trays

Made with a min. 25% post-consumer recycled (PCR) content; available in value weight and heavy weight

RDPP Trays

Recycleware reduced-density polypropylene; a sustainable option*

**Recognized by the Association of Plastic Recyclers (APR) as meeting the highest criteria in the APR Design® Guide for Plastics Recyclability.*
