

Custom Packaging BY SHIELDS®

We make private label products every day.

Our team of in-house engineering, manufacturing and design professionals will work with you to create quality custom packaging. From the initial quote process where we gather your packaging requirements to creating samples that meet your brand initiatives, we partner with you to deliver a final product that makes your product look as good as it works.

■ Custom Packaging

Shields offers over 100 flexible packaging lines, serving diverse industries worldwide. No matter the need, we collaborate closely with you to identify the appropriate packaging solution to solve your challenges.

Custom options include:

- Rollstock widths from 4" to 136", lengths to 140K feet
- Bag and pouch sizes from 5" x 8" to 10' x 300'
- Flexographic printing up to 10 colors and metallic
- FDA/GFSI certified packaging available
- Security, Lot control, RFID and individually numbered bags
- Custom poly blends, 7&9 layer barrier and sealant layer blends available
