

Hot Food/Chicken Pouch BY SHIELDS®

Stand-up pouches are one of the most versatile packaging solutions in the market today. Available in a variety of shapes, sizes, material and barrier options, stand-up pouches are a convenient, lightweight packaging option. Our full-color Flexo printing can help differentiate your product with eye-catching visuals on the retail shelf.

At Shields, we know time is valuable. We pride ourselves on dynamic service levels tailored to meet the unique needs of every client. Our team is committed to ensuring precision and consistency in manufacturing your product. With our flexible approach and unwavering attention to detail, you can trust us to deliver excellence with every order. Your complete satisfaction is our highest priority.

Hot Food/Chicken Pouch

Hot Food/Chicken pouches are a convenient packaging option for your kitchen and your customers. Easy-to-load and easy-to-carry, these durable pouches can carry a fresh and hot rotisserie chicken, turkey legs, wings, ribs, tamales and more! These bags are made from PET poly film and can be fully customized to fit your business needs. Designed with proper venting to maximize steam release while maintaining heat for transport, our pouches present your fresh products to maximize sales and customer satisfaction.
