

Polypropylene SideKicks® Containers

Durable, stylish containers designed to keep hot and cold sides secure from kitchen to customer.

Performance on-the-go

SideKicks® Containers are portable, stackable, and leak-resistant—perfect for prepared foods, takeout, and delivery.

Efficient and versatile

Great for hot soups or cold salads. One lid fits all five bases, with a vented option to release steam. Microwave-safe; loosen lid before heating.

High style, high function

A sleek, upscale design highlights your sides, and the wide-mouth opening makes them easy to dip, spoon, and serve.

These guidelines are supplied to assist you in determining the proper use of Novolex products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
