

Dubl Shield® Insulated Sandwich Wraps and Bags BY BAGCRAFT®

Keeping a sandwich warm doesn't have to be rocket science. The innovative, triangle-shaped adhesive design of Dubl Shield® creates insulating air pockets. These pockets keep food hot and fresh longer than standard single-ply wraps. Grease-resistant properties protect against oil, sauce, and condiment penetration. The breathable paper allows for steam and moisture to escape, making Dubl Shield wraps and bags ideal for hot food packaging.
