

ProWAVE™ Tote

Grocery Applications

NEW color! Cool Gray

ProWAVE™ Tote

A TOTE DESIGNED FOR THE SPEED OF E-COMMERCE

This tote is great for curbside pick-up, home delivery or carry-out use. The handle design helps the bag stay open for more efficient loading and more secure transport. With the durability of plastic, this bag is ideal for hot, cold or refrigerated items.

PERFORMANCE FEATURES

- Low-profile design and flat bottom for easy loading
- Made from heavy gauge polyethylene that stands up for loading
- Unique handle and upper flaps provide extra security to keep contents in the bag
- Fully customizable options for increased brand awareness and marketing
- Options available to meet legislative standards
- Made from recyclable MDPE or LDPE resin with minimum 20% recycled content

Built in handle and secure top to protect contents

NEW Cool Gray color available

Specially engineered inner fold providing easy access and transport strength.

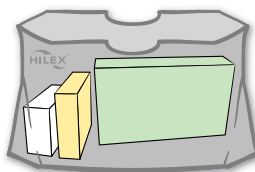

Items are secure with every pick-up / delivery
