

Header Bagging System

THE NOVOLEX HEADER BAG SETS THE STANDARD FOR VERSATILITY

There has never been a more versatile bagging system than the Hilex Header Bagging System. Dispensers can be permanently or temporarily installed at the checkout or at any shopper service or convenience location. One dispenser easily adapts to the side of a standard QuikMate® T-shirt bag rack. A choice of bag sizes are available to handle most purchases or to isolate one item from another.

For assistance selecting the dispensing system that is right for your department contact NOVOLEX Today.
