

# Header Bagging System

## THE NOVOLEX HEADER BAG SETS THE STANDARD FOR VERSATILITY

There has never been a more versatile bagging system than the Hilex™ Header Bagging System. Dispensers can be permanently or temporarily installed at the checkout or at any shopper service or convenience location. One dispenser easily adapts to the side of a standard QuikMate® T-shirt bag rack. A choice of bag sizes are available to handle most purchases or to isolate one item from another.

## PERFORMANCE FEATURES

- One at a time dispensing reduces waste and clutter
- Versatile hardware is easy to install wherever bags are needed
- Convenient placement within easy reach of customers
- Bag is available with or without side gusset
- Multiple bag size options
- Optional handles for easier carrying
