## **YOUR ONE STOP SHOP FOR QUALITY FLEXIBLE PACKAGING**

By utilizing the very best FDA resins and additives on our 7 and 9-layer blown film co-extrusion lines, Shields, a division of Novolex, has become a key supplier for barrier food applications, specializing in short and long hold bulk cheese packaging. Our state-of-the-art, world class technical laboratory assures we are meeting or exceeding requirements – first time, every time. We can meet the high volume demands of large users and accommodate the quick turnaround needs of smaller demand users, while always supplying the highest quality food packaging.

**Quality / Exceptional Service / Competitive Pricing**  
**All Products Proudly Made in the USA**
