Clean, hygienic cutlery

Cutlerease® innovative dispensing system improves hygiene and reduces the spread of germs by releasing one piece of cutlery at a time.

OPERATORS

- Tape tabs offer sanitary handling of cutlery refill packs and easy pick up
- Cutlerease® system has no trays or levers; helps prevent accumulation and transfer of germs and bacteria.
- One piece at a time dispensing supports a take-only-what-you-need mindset and reduces waste.

CONSUMERS

- Cutlerease® system automatically dispenses one piece of cutlery at a time.
- Handle-first delivery maintains cutlery's sanitary eating area.
- Take only cutlery that is needed.

Save space and resources

- Compact footprint; nearly 3:1 counter-front space savings over the popular brand.
- Each Cutlerease® cartridge holds 120 pieces of cutlery making a three cartridge set up
- Two new bases options now available, a single base that can hold one cartridge and a double base that can hold any combination of two cartridges.

Easy to operate and convenient

Customize your cutlery options. Cutlerease® system is so versatile, you can mix and match cutlery to meet your business needs. Want more forks than spoons? No problem.

Key features

- New dispenser sizes available, one, two and 3 cartridges bases.
- Each panel on the cartridge can be customized with CLINGZ™.
- No plugs or batteries needed

- Cutlerease® base universal design gives operators flexibility to customize cutlery types and change out cartridges easily. Handle-first delivery maintains cutlery's sanitary eating area.

- Red indicator tab indicates cutlery is low and time to reload.

- Easy touch release trigger readies cutlery for user to grab and use.

- Advertise messages or events by adding custom CLINGZ™ to your dispensers! Contact your sales manager to find out more.
